

# Boys' Tennis Boosters

2017 Season

## "Academics, Attitude, Effort & Sportsmanship"

We are already looking ahead to our 2017 season and laying the groundwork for success. Last year, players and parents raised funds that we used in a variety of ways to support the team. That support is critical and very appreciated!

### What We Do

Boys' Tennis Boosters provide winter captains' practices, pay for indoor court time as needed, fund scholarships to athletes who might not otherwise be able to afford to play, host the team lasagna dinner and the end of year banquet, purchase equipment and supplement coach stipends. Our families have generously supported the program and we hope you will continue that tradition.

### Value

The Washburn Boys' Tennis program was built from a small program, barely able to fill a varsity roster, into one of the strongest teams in the Twin Cities. In addition to strong performance in a highly competitive state section, players demonstrate leadership on and off the court, achieving Academic All-State status for the past six consecutive years.

### How You Can Help

- Join the boosters! We need volunteer help to host our annual spring Bowling/Silent auction fundraiser and the end-of-year banquet. Most Booster work is conducted via email.
- Make a cash donation. You can allocate donations to the general team fund, scholarship fund (supports tournament entry fees & Spring Break trip) or sponsor a specific player for 2017 Spring Break trip.
- Donate goods or services to the Spring Silent Auction
