

# Girls Tennis Boosters

## 2019 Season

### “Academics, Attitude, Effort & Sportsmanship”

We are excited for our 2019 season and looking forward to partnering with you to make it a big success. Your support is critical and appreciated!

#### What We Do

Girls Tennis Boosters support the team through volunteering, organizing, communicating, and funding. Boosters fees and fundraising dollars pay for indoor court time as needed, fund scholarships to athletes who might not otherwise be able to afford to play, host a team pot-luck dinner and the end-of-season banquet, purchase equipment, and supplement assistant coach stipends. Our families have generously supported the program and we hope you will continue that tradition.

#### Value

Under the leadership of Coach Ryan Hoag, the Washburn Girls Tennis program is continuing a proud tradition of excellence—with emphasis on our 4 pillars: Academics, Attitude, Effort & Sportsmanship. We strive to make the Girls Tennis experience exciting, challenging, and meaningful for each and every member. Players demonstrate leadership on and off the court while building life-long athletic skills and enduring friendships.

**Season Value in Dollars ~\$2500-\$3000**

Daily practices, 2 hours each=\$50 each

Approx. 20 Regular Season Matches@\$45/usual tournament fee=\$900
