

Boys' Tennis Boosters

2021 Season

"Academics, Attitude, Effort & Sportsmanship"

We are looking ahead to our 2021 season and laying the groundwork for success. Last year, players and parents raised funds that we used in a variety of ways to support the team. That support is critical and appreciated!

What We Do

Previously, Boys' Tennis Boosters provide winter captains' practices, pay for indoor court time as needed, host the team lasagna dinner and the end of year banquet, purchase equipment and uniforms, and supplement coach stipends. The pandemic has shifted our ability to do traditional fundraising activities and team social gatherings. But we do have expenses for the upcoming season. Our families have generously supported the program and we hope you will continue that tradition.

Value

The Washburn Boys' Tennis program was built from a small program, barely able to fill a varsity roster, into one of the strongest teams in the state. In addition to strong performance in a highly competitive state section, players demonstrate leadership on and off the court, achieving Academic All-State status for the past eight consecutive years.

Season Value in Dollars ~\$2000-\$2500

Daily practices, 2 hours each=\$50 each

Approx. 20 Regular Season Matches@\$45/usual tournament fee=\$720

Daily Group Coaching=\$22 clinic coaching/hour

Millers Tennis Experience=Priceless

How You Can Help

- Join the boosters!
- Donate snacks on match days
- Volunteer at events
- Make a cash donation to support the team
