- ★ This unique program brings together players from high schools across the metro area. The winter league had players from 29 different high schools!
- ★ Match play coaching from high qualified teaching pros helps players prepare for the high school season without entering expensive tournaments.

**Registration  
closes Friday,  
June 4, 2021!**

### Mission:

To provide access to junior players who do not have the financial means for club membership or ongoing tournament play. This program will bridge the gap by providing match play for beginning to intermediate level players allowing them to develop their competitive experience and prepare for high school varsity competition.

### Location:

Harding High School  
1540 E Sixth Street  
Saint Paul, MN 55106
