

Boys' Tennis Boosters

2022 Season

“Academics, Attitude, Effort & Sportsmanship”

We are already looking ahead to our 2022 season and laying the groundwork for success. Last year, players and parents raised funds that we used in a variety of ways to support the team. That support is critical and appreciated!

What We Do

Boys' Tennis Boosters provide off-season captains' practices in the summer/fall/winter, pay for indoor court time as needed, host the team lasagna dinner and the end of year banquet, purchase equipment, and supplement coach stipends. Our families have generously supported the program and we hope you will continue that tradition.

Value

The Washburn Boys' Tennis program was built from a small program, barely able to fill a varsity roster, into one of the strongest teams in the Twin Cities. In addition to strong performance in a highly competitive state section, players demonstrate leadership on and off the court, achieving Academic All-State status for the past seven consecutive years.

Season Value in Dollars ~\$2500-\$3000

10-12 Captains' Practices=\$400

Daily practices, 2 hours each=\$50 each

Approx. 20 Regular Season Matches@\$45/usual tournament fee=\$900
